Communities as Caregivers: Policies for a Dementia-Friendly State

An EBHPP Capitol Briefing

Wednesday, February 20th, 10:00 am to 12:15 pm
Wisconsin State Capitol, Room 412-East

Governments, businesses, health care providers, and other groups must increasingly find ways to recognize the needs and strengths of individuals dealing with aging-associated diseases in the community. Join the EBHPP for a Capitol Briefing on strategies to create aging- and dementia-friendly communities in Wisconsin. Panelists from UW-Madison and state, tribal and local governments will discuss current data, programs, and policies for lawmakers and others to consider.

With Opening Remarks from State Representative Mike Rohrkaste and a panel featuring:
