Just the Facts: What the Evidence Says (and Doesn’t)
About Medical Marijuana
An EBHPP Capitol Briefing

Tuesday, March 19, 10:00 am to 12:00 pm
Wisconsin State Capitol, Room 411-South

States across the country have passed legislation on medical and recreational marijuana use, and local ballot initiatives in Wisconsin show support for discussion of the issue here. Join the EBHPP for a Capitol Briefing that aims to help inform this discussion in Wisconsin by taking a look at what we know (and don't know) about the health effects of cannabis, and at the implementation of these laws in other states.

Featuring

Robert Wallace, MD, MSc
Professor and Irene Ensminger Stecher Professorship in Cancer Research
University of Iowa College of Public Health

Karmen Hanson, MA
Program Director, Behavioral Health
National Conference of State Legislatures

Advance registration is recommended.
