Summer 2021 Internship at Berkeley Research Group

Berkeley Research Group, LLC (BRG) is a global consulting firm that helps leading organizations advance in three key areas: disputes and investigations, corporate finance, and strategy and operations. Headquartered in California with offices around the world, we are an integrated group of experts, industry leaders, academics, data scientists, and professionals working beyond borders and disciplines. We harness our collective expertise to deliver the inspired insights and practical strategies our clients need to stay ahead of what’s next.

The Summer Associate position is a temporary position as a member of our consulting staff. This position will include 8 weeks working as an entry level staff member. The Summer Associate will work as part of the BRG group focused on federal (Medicare) and state (Medicaid) healthcare policy and the impact of policy on healthcare businesses. This practice is focused on fast-paced transactional diligence projects. The Summer Associate will have the opportunity to work directly with expert-level professionals with extensive experience as government policy makers. This position offers further advancement opportunities within a rapidly growing expert services and consulting firm.

**Job Responsibilities**

- Perform detailed research and analysis, then put the results into action
- Gather, review and summarize literature and data from the public domain
- Review and analyze regulations and legislation
