

CURRICULUM VITAE

Patrick L. Remington, MD, MPH, FACPM
Professor Emeritus
Department of Population Health Sciences
School of Medicine and Public Health
University of Wisconsin-Madison

Address: 610 Walnut Street, Rm 1007
Madison, WI 53726
608-263-1745
E-mail: plreming@wisc.edu

EDUCATION AND TRAINING

Bachelor of Science - Molecular Biology; 1972-76
University of Wisconsin, Madison, Wisconsin.
French Language Certification; 1974
Centre Linguistique Applique, Besancon, France.
Doctor of Medicine; 1977-81
University of Wisconsin School of Medicine, Madison, Wisconsin.
Rotating Internship; 1981-82
Virginia Mason Hospital, Seattle, Washington.
Preventive Medicine Residency; 1983-1985
Epidemiology Program Office, Centers for Disease Control, Atlanta, Georgia.
Master of Public Health-Epidemiology; 1985-1986
Epidemiology Division, University of Minnesota School of Public Health, Minneapolis, Minnesota.

CURRENT PROFESSIONAL APPOINTMENTS

Professor Emeritus, Department of Population Health Sciences, University of Wisconsin School of Medicine and Public Health (2019-present); Professor (2003-2019); Associate Professor (1997-2003); Adjunct Associate Professor (1992-1997); Adjunct Assistant Professor (1988-1992).
Director, University of Wisconsin Preventive Medicine Residency Program (2014-present).
Public Health Program Faculty, School of Medicine and Public Health (2005-present).

PAST PROFESSIONAL APPOINTMENTS

Associate Dean for Public Health, University of Wisconsin School of Medicine and Public Health (2009-2019).
Director, Population Health Institute, University of Wisconsin School of Medicine and Public Health, 2001-2009; Interim Director, (2016-2018).
Director, Master of Public Health Program, University of Wisconsin School of Medicine and Public Health, 2004-2009.
Associate Director, Outreach and Population Studies, Director of Cancer Control, Comprehensive Cancer Center, University of Wisconsin School of Medicine and Public Health, 1997-2008.
Chief Medical Officer and State Chronic Disease and Injury Epidemiologist, Bureau of Public Health, Wisconsin Division of Health (1991-1997); Chronic Disease Epidemiologist, Environmental and Chronic Disease Epidemiology Section, Bureau of Community Health and Prevention, Wisconsin Division of Health, Madison, Wisconsin (1988-1991).

Adjunct Associate Professor, Dept of Family and Community Medicine, Medical College of Wisconsin, 1995-2019. Adjunct Assoc. Professor of Medicine (Cancer & Blood Dis.), 1993-1995.

Affiliate Professor, Department of Family Medicine and Community Health, University of Wisconsin School of Medicine and Public Health (2008-2019); School of Nursing, University of Wisconsin-Madison (2004-2019).

Clinical Assistant Professor of Community Health, Emory University School of Medicine, Atlanta, Georgia (1987-1988). Community Medicine Course, Emory University School of Medicine, Atlanta, Georgia (1987-1988).

Medical Epidemiologist, Division of Nutrition, Center for Health Promotion and Education, Centers for Disease Control, Atlanta, Georgia (1984-1988).

Epidemic Intelligence Service Officer, Michigan Department of Public Health, Lansing, Michigan, assigned by the Division of Field Services, Centers for Disease Control (1982-83).

Research Assistant, Department of Bacteriology, University of Wisconsin, Madison, Wisconsin (1974-1976).

CURRENT PROFESSIONAL/COMMUNITY ACTIVITIES

American Cancer Society. Wisconsin Council member (2018-present).

American Journal of Preventive Medicine. Associate Editor (2014-present)

Blackhawk Ski Club. President (1995-2005); Chair, Mountain Bike Committee (2014-present).

Centers for Disease Control and Prevention. Editorial Board Member for MMWR (2006–present); Editorial Board Member, Preventing Chronic Disease: Public Health Research, Practice and Policy (2002-present)

University of Wisconsin School of Medicine and Public Health. Medical Alumni Quarterly Editorial Board member (2001-present); UW Preventive Medicine Residency Program, Program Evaluation Committee (member, 2014-present); UW Graduate Medical Education Oversight Committee, Member (2014-present).

Wisconsin Medical Alumni Quarterly. Editorial Board Member, (2001-present).

PAST PROFESSIONAL/COMMUNITY ACTIVITIES

American Cancer Society, Midwest Division; Board of Directors member (2006-2009); Council Member (1998-2002).

American Public Health Association. Healthiest Cities & Counties Challenge Advisory Council (2016-2019).

Centers for Disease Control. Member, Community Preventive Services Task Force (2013-2020); Chair, Expert Advisory Committee for Health-Related Quality of Life Surveillance (2008); Member, Advisory Committee for Mental Health Surveillance (2008); Editorial Board Member for Preventing Chronic Disease (2002-2018).

Council on Linkages (2007-2009): Member, for the National Network of Public Health Institutes.

Healthy Classrooms Foundation: Madison, Wisconsin. Board Member (2008-2012).

Institute of Medicine. Member, Committee on Living Well with Chronic Diseases (2011); Member, Planning Committee for Health Data Initiative Conference (2011); Member, Committee on Quality Measures for the Healthy People Leading Health Indicators (2012-2017); Member, Planning Committee for Core Metrics for Better Care, Lower Costs, & Better Health (2012-2017).

Les POODS (France's Professional Hot Dog Ski Team). Team member (1974-1975).

Research Triangle Institute. PhenX Toolkit Advisory Group. Social Determinants (2018-2021).

Robert Wood Johnson Foundation and the College Board: National Advisory Group for Public Health Practice-Based Networks (2007-2014); Young Epidemiology Scholars (YES) Judge (2004-2011).

University of North Carolina and United Health Foundation. Advisory Committee for America's Health Rankings (2006-2021).

University of Wisconsin School of Medicine and Public Health; Department of Population Health Sciences Executive Committee, Member (1997-2019); Oversight and Advisory Committee (OAC), Member (2000-2019), Chair (2010-2018); Partnership Program Education and Research Committee (PERC) member (2006-2019); Department of Population Health Graduate Program Steering Committee, Member (2010-2019); Population Health Institute Executive Committee, Member (2008-2019); Center for Urban Population Health Institutional Leadership Committee Member (2009-2019); Center for Demography and Ecology Steering Committee and Training Program Committee member (1998-2009).

University of Wisconsin-Madison. Morgridge Center for Public Service, Campus Advisory Council, Member (2013-2019).

US Department of Health and Human Services. Member, Federal Advisory Committee for Health People 2020 (2008-2011); Member, Healthy People 2030 Summary Measures Brief Subcommittee (2017-2019).

Wisconsin Cancer Council, member (1990-2009); Executive Committee member (1995-2002); Chair (2000-2002); Vice-chairperson (1997-2000).

Wisconsin Department of Health and Family Services, Tobacco Advisory Committee, chair (2003-2008).

Wisconsin Medical Society. Member, Board of Directors (2014-2018); Council on Healthcare Quality and Population Health (Chair, 2006-2009, member 2000-2016).

PAST GRANT/TECHNICAL REVIEW COMMITTEES

Centers for Disease Control.

Youth Tobacco Survey and School Policy Tracking Advisory Group (1998)
Injury Research Grant Review Committee (1996)
Prevention Center Program Special Emphasis Panel (1995)
Cytology Laboratory Closures Working Group (1995)
Committee for the Development of Program Performance Indicators (1994)
Evaluation of Breast Cancer Problems: A Primer for Primary Care Providers (1993)
Planning Group for National Public Health Surveillance (1993)
Program Committee for the National Chronic Disease Conferences (1990-1993)
National Nutritional Surveillance Planning Committee (1990)
Prevention Center Grant Program Review Committee (1990)
Surgeon General's Report on Tobacco and Health (1993-96)

National Institute of Health

ASSIST Coordinating Center Review Committee (1990)
Cancer Prevention for Low Income Multiethnic Populations Review Committee (1997)
NIH Community Prevention and Control Study Section member (1998)
NCI Cancer Center Study Section (2002)

Robert Wood Johnson Foundation

National Advisory Committee for Tobacco Policy and Research (1993-1994)

Michael Smith Foundation for Health Research

Career Investigator review (2005)

CURRENT GRANT SUPPORT

Physician Training Award in Cancer Prevention (Principal Investigator)

American Cancer Society (1/1/2021-6/30/2025); \$300,000 (total direct)

This is a competitive renewal of a grant to support the training of Preventive Medicine Resident, focusing on cancer prevention and control.

County Health Rankings and Roadmaps Program (Sheri Johnson, PI) (Co-Investigator, 5% effort)

Robert Wood Johnson Foundation (9/1/14-6/30/21; \$12 million (total direct))

This is a grant to develop, implement, and evaluate strategies to use county health rankings to mobilize community health improvement efforts.

Preventive Medicine Residency Program (Principal Investigator, 20% effort)

Wisconsin Partnership Program (2017-2019; \$1.0 million)

This grant supports the planning and implementation of the UW's Preventive Medicine Residency Program.

Prevention Research Centers Grant (Deb Ehrental, PI) (Co-Investigator, 5% effort)

Center for Disease Control and Prevention (9/2019-8/2024)

I will lead the Training and Education core of this CDC-funded center grant, that has a goal of supporting prevention research throughout the School of Medicine and Public Health, the UW, and community.

SELECTED PAST NIH GRANT SUPPORT

Data-Based Intervention Research Grant for Cancer Control (PI)

NIH/NCI. Remington (PI) 1988-2003 (\$600,000)

The goal of this grant was to develop a statewide cancer coalition and plan, with a goal of reducing the burden of cancer in the state.

American Stop Smoking Intervention Study (ASSIST) (PI)

NIH/NCI. Remington (PI/PD) 1990-1997 (\$8.4 million)

The goal of this contract was to reduce smoking in Wisconsin by 43% over a 7-year period, using evidence-based approaches.

Public Health Approaches to Breast and Cervical Cancer (PI)

NIH/NCI CA57014. Remington (PI) 1989-1994 (\$1.0 million)

The goal of this grant was to evaluate approaches to increase breast and cervical cancer in rural, underserved communities in Wisconsin.

Physical Activity, Lifestyle and Breast Cancer Risk (Co-I)

NIH/NCI RO1 CA47147 (Newcomb PI) 6/1/96-5/31/02 \$334,300 (annual direct)

The major goals of this population-based case-control study are to 1) investigate the relation between postmenopausal hormone therapy and breast cancer mortality, and 2) evaluate the relation between certain

lifestyle factors including weight change, physical activity, pregnancy termination, and breast cancer incidence.

Physical Activity, Lifestyle and Ovarian Cancer Risk (Co-I)

NIH/NCI RO1 CA47147 (Newcomb PI) 06/01/96-05/31/2000 \$268,034 (annual direct)

The purpose of this multicenter population-based case control study is to evaluate physical activity and several other modifiable exposures as possible determinants of ovarian cancer risk. This study is an adjunct to our ongoing collaborative case-control study of modifiable risk factors for breast cancer.

Risk Factors and Biomarkers for in situ Breast Cancer – Supplement (Co-I)

RO1 CA 67264 NIH/NCI (Newcomb PI) 03/01/96-02/28/2001 \$317,386

The aim of this study is to evaluate possible gene-environment interactions in relation to breast cancer risk.

Regional Variation of Breast Cancer Rates in Wisconsin (PI, 15% effort)

UO1 CA82004: NIH/NCI 9/1/99-8/31/03 \$269,148 (annual direct)

The goal of this project is to expand on past and on-going case-control studies to examine in detail the contribution of a variety of individual and community level exposures to the long-standing regional variation in breast cancer rates in Wisconsin.

Quality of Life in Female Long-term Colorectal Cancer Survivors (PI)

RO3 CA 78977 NIH/NCI Remington (PI) 09/18/98-09/17/2000 \$49,852 (total direct)

The major goals of this study population-based follow-up study are to evaluate the quality of life of women who have survived a diagnosis of colorectal cancer.

Cancer Information Service (PI, 5% effort)

NO2-CO-81000: NIH/NCI 10/15/99-10/14/04 \$853,741 (annual direct)

Provide cancer information service and outreach program.

Feasibility Study of Comprehensive Health Enhancement Support System Dissemination Through the Cancer Information Service Network (Co-I)

N02-CO-01111 NIH (Gustafson PI) 9/30/00-9/29/01 \$301,746 (total direct)

The goal of this study is to test the feasibility of using the CIS network to disseminate an online cancer communication system (CHESS) to underserved women who have a recent diagnosis of breast cancer.

Simulating Breast Cancer in Wisconsin (Co-I, 5% effort)

UO1 CA88211 NIH/NCI Fryback (PI) 9/1/00-8/31/04 \$132,080 (annual direct)

The major purpose of this project is to study the use of simulation modeling to better understand trends in breast cancer epidemiology by updating and extending a previously developed model simulating breast cancer age- and stage-specific mortality in Wisconsin.

Comprehensive Cancer Center Support (Co-I, 25% effort)

2 P30 CA14520 NIH/NCI Niederhuber (PI) 4/1/01-3/31/06 \$3,460,569 (annual direct)

Provides key faculty salaries to the University of Wisconsin Comprehensive Cancer Center. Dr. Remington serves as the Director of Cancer Control, Director for Outreach in Population Studies, and Director of the Survey Research Shared Service.

American Indian/Alaska Native Initiative on Cancer (PI, 2% effort)

UO1 CA86098 NIH (via the Mayo Clinic, Rochester, Kaur PI) 4/1/01-3/31/05 \$115,370 (annual direct)

The goal of this study is to increase community awareness about cancer by providing training in cancer control research for American Indian researchers and by facilitating communication among Native

American communities and the NCI.

SES, Environmental Factors and Colorectal Cancer Risk (Co-I, 3% effort)

NIH/NCI R03 Trentham-Dietz (PI) 9/1/02-8/31/03 \$50,000

The goal of this study is to investigate associations between colorectal cancer incidence in women in Wisconsin, with their socioeconomic and environmental risk factors.

Cancer Surveillance among Wisconsin Indian Tribes (PI, 5% effort)

NIH/NARCH Pilot Project 9/1/02-8/31/05 \$34,970 (annual direct)

To assess completeness of reporting of cancer cases among Indian tribes in Wisconsin
Part of Native American Research Centers for Health (NARCH) (Laverdure PI)

Breast Cancer *in situ*: Recurrence and Quality of Life (Co-I, 2.5% effort)

NIH/NCI R01 CA67264-05 Trentham-Dietz (PI) 03/27/02-02/28/07 \$250,000 (annual direct)

The goal of this study is to extend our case-control study of BCIS to examine how recurrence and quality of life in BCIS survivors is associated with modifiable lifestyle factors.

Comprehensive Cancer Center Support (Co-I, 5% effort)

NIH/NCI 2 P30 CA14520 Wilding (PI) 4/1/07-3/31/12 \$3,000,000 (annual direct)

Provides key faculty salaries to the University of Wisconsin Comprehensive Cancer Center. He also serves as Assoc. Director for Population Studies and Director of the Survey Research Shared Service.

SELECTED OTHER PAST GRANT SUPPORT

Evaluating State-Based Chronic Disease Epidemiology (PI)

Council of State and Territorial Epidemiologists 1/1/01-12/31/01 \$34,360 (total direct)

The goal of this project is to conduct an evaluation of the chronic disease epidemiology capacity in state health departments.

Tobacco Surveillance and Evaluation (PI)

Division of Public Health. 7/1/01-6/30/02 \$344,000/year

To conduct surveillance of tobacco use and health effects

Youth Risk Behavior Survey (PI)

Wisconsin Department of Public Instruction 7/1/01-6/30-02; \$49,809/year

To conduct surveys of risk behaviors among Wisconsin high school students

Advancing Cancer Clinical Trials in Underserved Populations (PI, 5% effort)

American Cancer Society, Midwest Div 9/1/01-8/31/02 \$21,145

Promote clinical trials recruitment and retention in minority and underserved communities.

Wisconsin Cancer Council (PI, 1% effort)

Wisconsin Division of Public Health 1/1/02 – 12/31/04 \$40,000/year

This grant provides support to the statewide Wisconsin Cancer Council, and coalition of over 40 cancer-related organizations in the state.

Diabetes Surveillance and Evaluation (PI, 2% effort)

Wisconsin Division of Public Health 7/1/03-6/30/04 \$35,000/year

To assist the state program in the conduct of diabetes surveillance and evaluation

Wisconsin Tobacco Control Monitoring & Evaluation Program (PI, 10% effort)

WI Tobacco Control Board 1/1/04-12/31/04 \$5,670 (annual direct)

The purpose of this program is to determine whether the state is achieving its goals to reduce tobacco use in Wisconsin.

Mobilizing Action Toward Community Health (MATCH) (Co-PI, 25% effort)

Robert Wood Johnson Foundation 1/1/09-8/31/12 \$4.9 million (total direct)

This is a grant to evaluate strategies to use county health rankings to mobilize community health improvement efforts.

Implementing the Mobilizing Action Toward Community Health initiative to improve health outcomes in communities (Co-I, 3%)

Robert Wood Johnson Foundation 4/15/2011-10/14/2014 \$3.72 million (total direct)

This is a grant to translate county health rankings data into action and to assist communities develop skills and identify resources to improve their health.

Diabetes Surveillance and Evaluation (PI, 1% effort)

Wisconsin Division of Public Health 7/1/13-6/30/14 \$35,000/year

To assist the state program in the conduct of diabetes surveillance and evaluation

Public Health & Primary Care Innovations in Medical Education Program (Principal Investigator, 15% effort)

Health Resources Services Administration (HRSA) (8/1/12-7/31/17; \$1.5 million (total direct))

This grant supports an educational program to integrate public health and primary care in the education of medical students and physician assistants.

Obesity Prevention Initiative (Alex Adams, PI) (Co-Investigator, 10% effort)

Wisconsin Partnership Program (2014-2019; \$7.5 million)

This grant supports a statewide obesity prevention initiative. The focus of my work is on the development of an obesity surveillance system.

TEACHING/MENTORING

Current Course Director:

- **Introduction to Public Health-Local to Global Perspectives** (POP HLTH 370 / 3 credits / appx. 300-400 undergraduates): Spring 2011-present.
- **Integrating Medicine and Public Health** (POP HLTH 712 / 1 credit / appx. 70-80 medical students): Fall 2011-present.
- **Communicating Public Health Information Effectively** (PUBLHLTH 791 / 2 credits / appx. 50-60 public health students). Fall 2019-present.

Past Course Director:

- **Monitoring Population Health** (POP HLTH 803 / 3 credits /graduate students): Director (1998-2008), co-director (2016-2018).
- **Public Health Surveillance and Analytics** (Co-Director) (POP HLTH 784 / 3 credits / appx. 50-60 public health students): Spring 2020-present.
- **Communicating Public Health Information Effectively** (POP HLTH 660 / 1 credit / appx. 20-25 graduate/public health students). Summer 2007-2018

- Epidemiology and Population Med. (POP HLTH 717 / 3 credits / appx. 170 medical students): Dir (2009); Co-Director (2011-2015).
- Public Health Principles and Practice (POP HLTH 780 / 3 credits / appx. 50 MPH students): Director (Fall 2005-2011); Co-Director (2012-2015).
- MPH Summer Field and Culminating Experience (POP HLTH 650 / 8 credits /graduate students): Summer 2007-2008
- Physicians in Public Health (POP HLTH 650 / 1 credit / medical students): Spring 2002/2004
- Introduction to Epidemiology for Medical Managers (PM 797A / 3 credits / graduate students): 1998-2001
- Population Health Graduate Program Seminar (PM 650 /1 credit/graduate students): Spring 2000
- Chronic Disease Epidemiology (PM 802 / 3 credits / graduate students): 1990-1997

Guest Lectures:

- Air Pollution (Env Tox 308-Kanarek): 2002-present.
- Determinants of Population Health (POP HLTH 795-Mullahy): 2000-present.
- Pathologic Basis of Disease (Pathology 402/404 / undergraduate students): 1998-present.

Current Student Mentoring:

- MPH Capstone Committee: Lin Zhao (2020-2021).

Past Student/Resident Mentoring:

- Population Health PhD Committees: Indiana Strombom (2006-Chair); Angela Kempf (2010-Chair); Mat Maenner (2010); Jessica Athens (2012); Xiao Zhang (2013); Elizabeth Pollock (Chair); Penny Black (Chair); Other PhD Programs: Christopher Spahr (PhD in Urban and Regional Planning, Committee member); Caitlyn Iverson (Environment and Resources, member).
- Population Health MS Committee (Chair): M. Boeke (2007); P. Vila (2007); K Stolzman (2006); C. Schuman (2006); D. Zank (2006); M. Landis (2005); D. Byrd (2005); Sabina Agrawal (2009); Timothy Waasenaar (2007); Eva Vivian (2012); Andrew Peterson (2011); Heather Johnson (2012); Kristin Gallagher (2012).
- Master of Public Health (MPH) Capstone Committee Member: Emma Hynes (2010), Cari Cuffney (2014), Karina Atwell; Bobby Redwood; Boh Suh (chair), Jordan Wackett (chair); Kendra Hogan; Carleigh Olson; Billy Burrough; Ben Kopitzke (chair), Nathan Baggett (chair); Billy Burrough (chair); Megan Christenson (2016); Kerianne Fullen (chair); Peter Graffy (chair); John Scerpella; Diego Tamez (chair); Brittany Van Remortal; Jordan Wackett, Jasmine Zapata (chair), Wolter Cherie, Lehman James, Hogan Kendra, Stephanie Richards, Joel Charles, Nina Gregerson, Emily Wirkus, Molly Berkery, Lauren Weeth-Feinstein, Andrew Walsh, Paj Ntaub Vang; Joe Kalscheur (2018); Helen Powling (2018); Alex Mundy (2018); Preshita Date (2018); Odi Ezenwanne (2018); MPH Capstone Committee: Collin Pitts (2019-2020); Allison Carlisle (2019-2020).
- PhD Committee Member: Mass Communications: X. Kuang (2006); Nursing: Kerada Krainuwat (2006), Elizabeth Kaiser (2010)
- Fellowship: Lori Severtson (Public Health mentor, National Library of Medicine Postdoc Fellowship through UW-Madison's Computation and Informatics in Biology and Medicine program)
- Preventive Medicine Residents: Bobby Redwood (2014-2016), Karina Atwell (2014-2016); Maria Mora (2015-2017); Beth Stein (2015-2017); Jasmine Zapata (2016-2018); Diego Tamez (2016-2018); Odi Ezenwanne (2017-2019); Lia Kostiuk (2017-2019).

Past Faculty Mentoring Committees:

- Ana Martinez-Donate (Population Health Sciences) (Chair)
- Adnan Said (Medicine-Gastroenterology) (Chair)
- Hal Skinner (Population Health Sciences)

Amy Trentham-Dietz (Population Health Sciences)

PAST EDITORIAL BOARDS

Senior Associate Editor, **Health Behavior and Policy Review** (2013-2019).
Senior Editor, **Tobacco Control**, British Medical Journal (2002-2006)
Editorial Board Member, **The Oncologist** (2000-2006)

REVIEWER

Wisconsin Public Health Association, 1990-present.

LICENSES AND CERTIFICATIONS

Medical Doctor (#29384), Wisconsin, 1988-present.
Board Certified, Public Health and General Preventive Medicine, 1987.
Medical Doctor (#045011), Michigan, 1982-84.
National Board of Medical Examiners, 1981.

HONORS AND AWARDS

Folkert Belzer Award for Lifetime Achievement, School of Medicine and Public Health, University of Wisconsin-Madison, 2019
Carol Graham Lifetime Achievement Award, Wisconsin Public Health Association, 2019
Ronald Davis Special Recognition Award, American College of Preventive Medicine, 2019
Chancellor's Distinguished Teaching Award, University of Wisconsin-Madison, 2019
Meritorious Service Award, Wisconsin Medical Society, 2018
Honored Instructor, University of Wisconsin Housing, 2018
Volunteer of the Year, Capitol Off-Road Pathfinders, 2017
Paper of the Year, American Journal of Public Health, 2017, for Stein et al: *The epidemic of despair among white Americans: trends in the leading causes of premature death, 1999-2015*.
Article of the Year, American Journal of Epidemiology, 2015, for Sprague et al: *Variation in Breast Cancer-Risk Factor Associations by Method of Detection: Results from a Series of Case-Control Studies*.
Research Paper of the Year, Robert Wood Johnson Foundation, 2011
Langmuir Lecturer, Centers for Disease Control, 2010
Public Health Researcher of the Year, Wisconsin Public Health Association, 2007
Lynn R. Smith Award for Outstanding Leadership in Tobacco Control, Am. Cancer Society, 2006
Dean's Teaching Award, UW Medical School, 2003

Outstanding Scientific Contributions to Public Health Award, for the Behavioral Risk Factor Surveillance System, Centers for Disease Control Service, 2001
Lynn R. Smith Award for Excellence in Tobacco Control, American Cancer Society, 2001
Meritorious Service Award, State Medical Society of Wisconsin, 2000
Barbara Lange Health Education Award, Wisconsin Public Health Association, 1996
Exceptional Performance Award, for Breast and Cervical Cancer Control Program, Wisconsin Division Health, 1994.
Basic Prevention Award, Wisconsin Public Health Association, 1992.
Exceptional Performance Award, Wisconsin Division of Health, 1989,90,91.
Commissioned Officer Award, United States Public Health Service, 1988.
Sigma Xi Honorary Scientific Society, 1987.
Delta Omega Honorary Public Health Society, 1986.
Centers for Disease Control Group Award, Behavioral Risk Factor Surveys, 1985.
Drs. Joseph Dean Award and Scholarship, 1981
Alpha Omega Alpha Medical Society, 1981
Phi Beta Kappa, 1976
Honors Program graduate in molecular biology, 1976.
Society of Mace, 1975
Trewartha Honors Undergraduate research scholarship, 1975.
Phi Kappa Phi, 1974
Sophomore Honors, 1974.
Phi Eta Sigma Freshman Honor Society, 1973.
